

Legacy Preparatory Charter Academy Mesquite West - Plano

September 9, 2021 FAQ Parent Meeting

1. Is the school going to uphold the temporary mask mandate?

Yes, the LPCA School Board has mandated wearing masks until further notice.

When we did not use masks we suffered an outbreak, as soon as we moved to masks the spread immediately slowed down to very few cases.

2. Can the school at least have that option available to parents who won't mind teaching their children virtually?

LPCA at this time is only able to offer virtual classes to students in quarantine or those who have tested positive for Covid-19.

3. If everyone in the household is quarantining how will students get their supplies for their virtual learning ?

Please contact the counselor or the principal to make arrangements.

4. How do I receive the links for remote conferencing/virtual classes if my child has Covid-19?

Please contact your child's counselor or principal by email and ask them to provide you the links.

5. Would it be a good idea if middle school stopped switching classes to keep the movement and spreading down?

Unfortunately students in 4-12 change classes, and they do not all go to the same classes. This makes it impossible for students to stay in one room all day as they have different schedules.

6. Will students continue to eat lunch in the cafeteria?

We will monitor the situation and if there is evidence that the cafeteria is a point of spread (Covid-19) we will move to lunch in the classroom.

7. How will students catch up if they were out sick due to Covid-19?

Please email your child's teacher to set up tutoring.

8. If someone in my house has Covid-19 do my children have to quarantine?

Our Vision:

Legacy Preparatory Charter Academy will develop and inspire innovative, critical-thinking, scholars who influence our global society.

our children should quarantine for 10 days.

They may attend school using remote conferencing/virtual school.

9. What protocols are being used to sanitize the school and keep students safe?

- Students must use hand sanitizer every time they enter or leave a classroom
- Desks are sanitized each time students move to tier next class
- The entire campus is misted (classrooms, door handle, restrooms, office, common areas)
- Air scrubbers are being installed in classrooms, offices, cafeteria, and gym.

10. How can I find out what events or activities are taking place at LPCA?

Please check your emails as a weekly parent newsletter is sent out every Wednesday. You may also check our FaceBook and our Website, legacypca.com. You may also sign up for alerts, check with you child's guidance counselor.

11. Why was the Mesquite West Middle School closed?

A pipe burst and the water damaged the fuse box and electrical panel. The repairs were immediately made, but LPCA had to wait for the City of Mesquite to inspect the repairs before turning on the electric. This caused us to keep the campus closed for an additional day.

12. Why did LPCA change Friday dismissal from 3:00 P.M. to 3:30 P.M.?

Due to the fact we had to close for 7 days due to Covid-19, we had to ensure we would meet the required minutes in a school year mandated by the Texas Education Agency. In doing so we considered the winter storms that occurred and decided we needed to build a bank of time.

We will return to 3:00 P.M. dismissal after March if we do not have any additional closures.

13. For remote conferencing, do students have to be in for the entire school period from 8:00 A.M.- 3:30 P.M.? Will they have their work to complete for the day? What if my son has covid and does not feel very well yet, does he has to go to complete the work?

Elementary students are required to have 2 hours face to face on the computer, and 4 hours for Secondary students. If the child is sick they have the same requirements before Covid, and may turn in late work as long as the absence is excused.

Legacy Preparatory Charter Academy will develop and inspire innovative, critical-thinking, scholars who influence our global society.

14. When will tutoring begin?

Teachers will be available to tutor starting in early October.

15. I had a concern about how many students were in my child's class.

Please contact the principal and share your concern so it may be addressed.

16. How do I justify an absence if my child only had a cold and was absent?

Please write a note including your child's name, reason for absent and the date. This will be turned in to the front office. You may turn in 3 parent notes per school year that are not from the doctor.

17. How do I contact my child's teacher?

Please go to your child's Skyward account, once you find their schedule you will click on the teacher's name and it will give you their email address. If you need access to the account contact the guidance counselor.

1. ¿La escuela va a respetar el mandato de la máscara temporal?

Sí, la Junta Escolar de LPCA ha ordenado el uso de máscaras hasta nuevo aviso. Cuando no usamos mascarillas sufrimos un brote, tan pronto como me trasladé a las mascarillas, la propagación se ralentizó inmediatamente en muy pocos casos.

2. ¿Puede la escuela al menos tener esa opción disponible para los padres a quienes no les importa enseñar a sus hijos virtualmente?

LPCA en este momento solo puede ofrecer clases virtuales a estudiantes en cuarentena o aquellos que hayan dado positivo por Covid-19.

3. Si todos en el hogar están en cuarentena, ¿cómo obtendrán los estudiantes sus suministros para su aprendizaje virtual?

Comuníquese con el consejero o el director para hacer los arreglos.

4. ¿Cómo recibo los enlaces para conferencias remotas / clases virtuales si mi hijo tiene Covid-19?

Comuníquese con el consejero o director de su hijo por correo electrónico y pídale que le proporcionen los enlaces.

5. ¿Sería una buena idea si la escuela intermedia dejará de cambiar de clases para mantener el movimiento y expandirse?

Desafortunadamente, los estudiantes de 4-12 cambian de clase y no todos van a las mismas clases.

Esto hace imposible que los estudiantes permanezcan en una habitación todo el día, ya que tienen horarios diferentes.

6. ¿Continuarán los estudiantes almorzando en la cafetería?

Vigilaremos la situación y si hay evidencia de que la cafetería es un punto de propagación (Covid-19) pasaremos a almorzar en el aula.

7. ¿Cómo se pondrán al día los estudiantes si se enfermaron debido al Covid-19?

Envíe un correo electrónico al maestro de su hijo para programar la tutoría.

8. Si alguien en mi casa tiene Covid-19, ¿mis hijos tienen que ponerse en cuarentena?

Pueden asistir a la escuela mediante conferencias remotas / escuela virtual.

9. ¿Qué protocolos se están utilizando para desinfectar la escuela y mantener seguros a los estudiantes?

Los estudiantes deben usar desinfectante de manos cada vez que entren o salgan de un salón de clases. Los escritorios se desinfectan cada vez que los estudiantes pasan al nivel siguiente de la clase. Todo el campus está desinfectado (aulas, manija de la puerta, baños, oficina, áreas comunes)

Se están instalando depuradores de aire en aulas, oficinas, cafetería y gimnasio.

10. ¿Cómo puedo saber qué eventos o actividades se llevan a cabo en LPCA?

Por favor revise sus correos electrónicos ya que cada miércoles se envía un boletín semanal para padres. También puede consultar nuestro FaceBook y nuestro sitio web, legacypca.com. También puede inscribirse para recibir alertas, consulte con el consejero escolar de su hijo.

11. ¿Por qué se cerró la escuela secundaria Mesquite West?

Una tubería estalló y el agua dañó la caja de fusibles y el panel eléctrico. Las reparaciones se hicieron de inmediato, pero LPCA tuvo que esperar a que la Ciudad de Mesquite inspeccionará las reparaciones antes de encender la electricidad. Esto hizo que mantuviéramos el campus cerrado por un día adicional.

12. ¿Por qué LPCA cambió la salida del viernes a partir de las 3:00 p.m. a las 3:30 P.M.?

Our Vision:

Legacy Preparatory Charter Academy will develop and inspire innovative, critical-thinking, scholars who influence our global society.

Debido al hecho de que tuvimos que cerrar durante 7 días debido a Covid-19, tuvimos que asegurarnos de cumplir con los minutos requeridos en un año escolar exigido por la Agencia de Educación de Texas. Al hacerlo, consideramos las tormentas invernales que ocurrieron y decidimos que necesitábamos construir un banco de tiempo. Regresaremos a las 3:00 P.M. después de marzo si no tenemos cierres adicionales.

13. Para conferencias remotas, ¿los estudiantes tienen que estar presentes durante todo el período escolar de 8:00 a.m. a 3:30 p.m.? ¿Tendrán que completar su trabajo durante el día? ¿Y si mi hijo tiene covid y no se siente muy bien todavía, tiene que ir a completar el trabajo?

Los estudiantes de primaria deben tener 2 horas cara a cara en la computadora y 4 horas para los estudiantes de secundaria. Si el niño está enfermo, tienen los mismos requisitos que antes de Covid y pueden entregar el trabajo tarde siempre que la ausencia sea justificada.

14. ¿Cuándo comenzará la tutoría?

Los maestros estarán disponibles para dar tutoría a partir de principios de octubre.

15. Me preocupaba cuántos estudiantes había en la clase de mi hijo.

Comuníquese con el director y comparta su inquietud para que se pueda abordar.

16. ¿Cómo justificar una ausencia si mi hijo solo tuvo un resfriado y estuvo ausente?

Escriba una nota que incluya el nombre de su hijo, el motivo de la ausencia y la fecha. Esto se entregará a la oficina principal. Puede entregar 3 notas de los padres por año escolar que no sean del médico.

17. ¿Cómo me comunico con el maestro de mi hijo?

Vaya a la cuenta de Skyward de su hijo, una vez que encuentre su horario, haga clic en el nombre del maestro y le dará su dirección de correo electrónico. Si necesita acceder a la cuenta, comuníquese con el consejero vocacional.
